# Strawberry Santas

The perfect addition to a festive feast! Children of all ages will love these sweet treats, and can help put them together.

## Ingredients

- 20 medium/large strawberries
- 100g cream cheese (or a dairy-free alternative)
- 4-6 teaspoons gluten-free icing sugar, to taste
- 40 mini chocolate chips (milk or dark)

4. Pipe or spoon 1 teaspoon of the icing onto the flat strawberry tops.

5. Place the top third of the strawberry on top of the icing, and carefully add a tiny scoop of the mixture on the tip of the strawberry to create a pom-pom on top of Santa's hat.

6. Gently place 2 chocolate chips onto each 'face' to create eyes.

7. Refrigerate until ready to serve.

## Method

1. Remove the stalks from the strawberries to create a flat base.

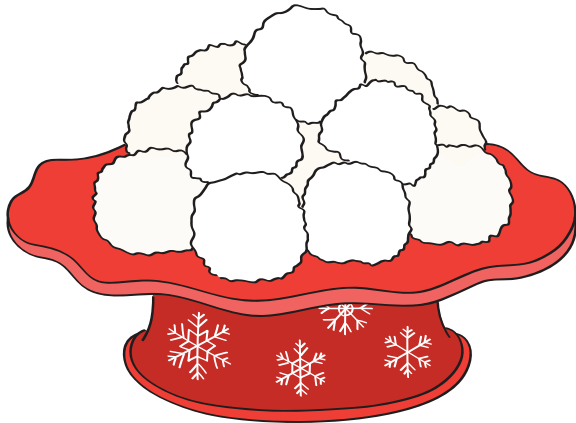

2. Cut the top off each one (about a third of the way down from the pointed end) and save for later. Stand the strawberry bases on a serving platter.

3. Mix the cream cheese and icing sugar until smooth and creamy.

## Method

**1.** Preheat the oven to 450°F/230°C and line a baking sheet with non-stick baking paper.

**2.** Cut the mozzarella into 2cm cubes and set aside.

**4.** Wrap a piece of dough around each piece of mozzarella, forming a tightly sealed ball.

## Ingredients

- 125g mozzarella

- 50g parmesan, finely grated

# Make your own Christmas bauble

Add some creativity to your Christmas tree by crafting a home-made decoration. Perfect for younger family members!

## What to do

**1.** Grab some pens or pencils and colour in the bauble images on the next sheet. Be creative!

**2.** When you've finished colouring, use scissors to cut out all five circles. Fold them in half, making sure each image is on the inside.

**3.** Take one of the folded circles, apply glue to one side, then stick a second folded circle to it. Make sure the images are upright and the straight edges line up.

**4.** Repeat with each circle until they're all connected. Don't glue the final two sides together yet: you still need to add a thread.

**5.** Cut a length of thread or string (about 25cm long to make sure it's big enough to loop over the branches of your tree). Fold it in half to create a loop.

## What you need

- Bauble images to colour in (see the next sheet)
- Coloured pens, pencils or crayons
- Scissors
- Glue stick
- Thread or string for hanging

**6.** Put a dab of glue at the top of the central fold of your bauble, then attach the cut ends of the thread (not the loop) to this. Glue the thread about 2cm into the centre of the bauble to make sure it's secure.

**7.** Now to finish your bauble. Take hold of the semi-circles at each end and pull them gently round towards each other, so the segments fan out and create a globe shape.

**8.** Glue the two sides together so the thread is secured between them. It's important to seal the corners so the thread doesn't slip. You may need to pinch the sides together until the glue dries.

**9.** When the glue on your bauble is dry, hang it on your tree. Ta-dah!
